Safety First

The board wants to thank everyone for their continued cooperation and support of the "no drinking before shooting" rule and other safety programs. Your willingness to police yourself and keep the safety of everyone as a priority has made the club a fun and safe place to bring the entire family. Remember, if you see a safety violation on the range it is everyone's responsibility to politely and respectfully correct the problem. If you make a mistake and someone mentions it to you it is also your responsibility to take the suggestions made to you in a positive manner.

Shot Mining has been cancelled for this year. We will reschedule it for next summer.
