MSTA STANDARD PROCEDURES

Class Winners

Beginning with Thursday Class Double, the winner and ties in and out of state of any Class Event advances to the next highest class for the remainder of the shoot. The shooter must advise the cashier of such changes for options and purse calculations.

Yardage Winners

Any shooter who earns yardage in any handicap event must shoot the next event from his new yardage or forfeit any and all prizes. The shooter is responsible to have his card punched and advise the cashier of yardage changes for options and purse calculations.

All-State Team

To qualify shooters must have at least 1500 Singles, 1500 Handicap, and 1000 Doubles and must shoot all HOA events at the state shoot. The same applies to Ladies, Veterans, and Juniors categories. If a category shooter makes the All-State Team, they must vacate the special category award allowing the next high shooter in the special category to move up. In the event no one in a special category qualifies with the required targets, a winner will be chosen based on a combined average of singles and handicap targets. The number of targets registered will also have a strong bearing on the selection. The above target requirements were revised by the board at the 1998 directors meeting. Sr. Vet & Sub Jr were added at the July 2001 directors meeting.

High Average Awards

To qualify for a Montana State High Average Award, a shooter must have either 1500 Singles or 1500 Handicap or 1000 Doubles. To qualify for the Overall Award, shooters must have at least 1500 Singles, 1500 Handicap and 1000 Doubles.

Champion of Champions Event

Will be shot on the first half of the State Singles Championship. Open only to Montana shooters who are members of paid-up MSTTA member clubs. Each club selects their champion who is then eligible to compete. Each club champion must pay a \$1.00 entry fee and place his or her name on the list provided. There will be a trophy and \$50.00 awarded to the winner. Ties shoot-off for both trophy and money. Shoot-offs are carried over to 2nd half of Singles Championship via 25's. If a tie exists, reverse score on 25's will be used. If still undecided, there will then be a head-to-head shoot-off.

State Singles Championship

State Singles Championship will be decided on 200 targets, Events 10 & 13. The MSTTA will provide funds to the State Champion or Runner-Up, provided he or she agrees to enter the Champion of Champions race at the Grand American Handicap if eligible. ATA RULES allow only the State Champion or Runner-Up to enter the Champion of Champions event.

In All Cases

The recipients of these monies must enter the Champion of Champions event at the Grand to receive this expense money from the M.S.T.A. WINNERS are to notify the M.S.T.A. secretary as soon as possible whether they will or will not be able to attend the Grand. If the Champion or Runner-up do not attend the Grand the day fees are retained in the M.S.T.A. treasury and awarded at the following year's state shoot in the following manner. The money is to be rounded down to the nearest \$500.00 and awarded as added money to the High All Around winners by class (AA, A, B, C, D,) high gun 50-30-20 closed to our of state shooters.

Special Category Trophies

All shooters eligible to shoot for Special Trophies must place their names on the lists provided at the bulletin board.

Declare Special Categories

All Chair Shooters, Lady I, Lady II, Juniors, Junior Gold, Sub-Juniors, Sub-Veterans, Veterans, and Senior Veterans must declare their special category at the time of their entry in any registered event. Without such a declaration at the time of entry, the shooter will not be allowed to compete for the applicable special category trophies. No exceptions to this rule are to be allowed.

Birthdays

As per the ATA rule book.

Trap and Field

The MSTA will give Champions and runner-ups in State All Around, Singles, Doubles and Handicap Championship Events a one-year subscription to Trap and Field. **The winners must contact the MSTA Secretary.**

Refunds

No entry fees, purses, or options will be refunded after the event has started.
